## Office and Financial Policies

Thank you for choosing Bridgewater Balance and Hearing for your hearing healthcare needs. We are committed to you and your improved hearing and balance. We also want your experience with us to be a positive and productive one. To that end, we want to take this opportunity to inform our patients and their families of our payment policies. This knowledge will help you be better prepared for your appointment.

Bridgewater is a participating provider with most all insurance carriers in the area. We can assist you in determining whether or not we are a participating provider for your insurance plan. Insurance coverage is an agreement between you and your insurance carrier. We, as healthcare providers, just execute that agreement for you. As a result, it is your responsibility to determine whether or not you have out of network benefits (if Bridgewater is not a participating provider in your insurance plan) and whether or not you require prior authorization or a referral prior to services being provided or if audiology services and/or hearing aids are covered through your plan. It is important to gather this information prior to your appointment with us. Bridgewater cannot submit a claim to any insurance carrier if we do not have all required orders, referrals, or prior authorizations on file, when needed. They cannot be obtained after the service is provided. If you are unsure of your coverage specifics, please bring your member benefits handbook with you to the appointment.

Insurance carriers often do not cover, in full, all goods and services. While we will verify coverage specifics with your insurance carrier as needed, please understand that these are NOT a guarantee of coverage or payment. There may be situations where your insurance carrier does not cover the specific good or service you are requesting. Bridgewater commits to providing quality, professional hearing healthcare to all its patients, regardless of their circumstance. When required and possible, we will work to offer an item or service that is within the limits of your insurance coverage.

It is very important that you inform us within 24 hours of your appointment if you need to cancel or reschedule. While we realize that emergencies do occur, Bridgewater reserves the right to charge up to a \$125 cancellation fee for all no-show appointments or appointments canceled with less than a 24 hour notice.

We understand that sometimes you may be running late to your appointment. Unfortunately, we have patients scheduled throughout the day and may not be able to see you if you arrive more than 15 minutes after your scheduled appointment time. We will try to accommodate you if time allows. Otherwise, we will need for you come back later in the day if a later appointment is available or reschedule to another date and time.

Your co-payment will be collected at the time the diagnostic services are provided and balances will be billed after Bridgewater has obtained an explanation of benefits from your insurance. All hearing aid related charges must be paid on the date you take possession of the aid, accessory, or supply. Bridgewater accepts payment in the form of cash, checks, Visa, MasterCard, and Discover. There will be a \$30 fee for all bounced or returned checks.

It is also the policy of Bridgewater that we maintain a credit card number on file when/if a payment plan has to be arranged. This allows us to bill you for an outstanding balance that is not collected within 120 days of the date you were initially billed, while continuing to provide you with care. We will not bill any charge to your credit card without first informing you of this in writing. You then have the right to use an alternate form of payment if you so choose.

It is important that each patient accepts and meets their financial obligations to this practice. Otherwise, we will be unable to provide care to any of our patients. Bridgewater reserves the right, following 120 days of the initial invoice date, to forward all outstanding balances to either a third-party collection agency and/or small claims court. We also reserve the right to discontinue care or service to patients who have not met their financial obligations to us

**\_\_\_\_\_ I request Bridgewater Balance & Hearing submit a claim to my insurance company on my behalf, for services provided. I am aware insurance may not cover services provided, and I am financially responsible for the balance.**
